## UNITS TYPES

### GOLF V 1

5 bedroom + Maid townhouse featuring a more grand design to offer the utmost luxury for residents. The terraces feature pivoting doors to create a secluded personal retreat. They incorporate a greater degree of contemporary design, where well thought out color choices combine with a natural landscape to give an elegant contemporary feel. You can step directly on the golf course and you have full Golf course views no matter where you are in the home.

### FLOWER V 1

4 bedroom + Maid townhouse featuring a stepped layered design that thanks to optimized shading ensures your home enjoys natural light without being fully exposed to the sun most times of the day. The chic, ultra modern all white contemporary design is open and airy and gives a feeling of space. The units will have direct access to the gardens, golf course views, and the golf course is just one minute away.

### GOLF & FLOWER V 2

3 bedrooms + Maid townhouse featuring ample space, and a modern innovative design make these homes perfect for happy couples and families. The external façade and interior design was created to provide an integrated living space that allows for family bonding, and gives a natural connectivity to the gardens, flowers, pool, deck, and the golf courses. The color choices allow the homes to blend into their surroundings, and the design promotes privacy.

### GOLF & WATER T 1

4 bedrooms + Maid townhouse features a premium deck, garden, and pool. The first floor distinct terrace gives amazing golf and lake views. The roof garden design provides a full 360° view of the golf courses and the lake. The units are perfectly situated, adjacent to the golf courses, the communal area, and the entrance and exit to the community.

### GOLF & WATER T 2

3 bedrooms + Maid townhouse features its own garden with a full golf and lake views from the spacious, expertly designed terraces situated on the first floor and roof. The amazingly designed roof garden area provides superb views of the golf courses and lake. The garden has a natural feel, and here you will find a pool, deck, and a variety of plant life. It has direct access to the golf courses and the lake gardens, the latter giving an integrated feel to nature.

### FLOWER T 1

4 + Maid townhouse features a delightful garden area, pool, deck, and various flowers and plants. The garden of the units provides direct access and is integrated with the stunning common landscaping area, kids playgrounds, outdoor games, water features, the 'gardens of the world', and access to the golf course is just a one minute walk from your home.

### FLOWER T 2 & WATER T 3

3 Bedrooms + Maid Townhouse designed for couples and families. It features a delightful natural garden and pool. The spacious interior of the home is connected to the outside via the deck, which connects to your garden and allows for direct access with the landscaping area, kids playgrounds, outdoor games, water features, the 'gardens of the world', and access to the golf courses is just one minutes walk away.

## THE STUNNING VIEWS FROM YOUR NEW HOME

### GOLF, WATER, FLOWER

Jumeirah Luxury offers spectacular views with every property. These expertly designed homes incorporate an unobstructed and amazing views that enhance your life experience. The views themselves feature several holes of the Fire Golf Course, and it will feel like you are bringing the elements of water and earth into your home enhancing your wellbeing. The lake or gardens that you will gaze upon every day create a cooler more hospitable microclimate.

#### GOLF

Golf – If you have selected a golfing home then you have a choice of either seeing the 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup>, 8<sup>th</sup> or 9<sup>th</sup> holes. You can also simply walk out of your garden onto the golf courses and go to the club house.

Is there a better place to watch The Race to Dubai than from your own garden?

#### WATER

Water – If you have a lakeside property you will be greeted by the beautiful blues and greens of the lake. The sounds, the feel, the birds, and the scents will bring a sense of peace and tranquility.

#### FLOWER

Flower - If you want to bring the country flavors into your home, this is the property for you. Embedded into The Life are the 'gardens of the world'. You can enjoy these at every hour of every day.
